

MODEL Helicopter WORLD

DIABOLO 550 Minicopter designed it to be light, strong and very aerobatic

MICROBEAST PLUS

From the outside BeastX's new FBL unit looks very similar, however internally a lot has changed...

Zone 2015

Once again International pilots competed at the Fleet Air Arm Museum

**Red Lodge
Scale Fly-in**
Returning to where it all started

Small Rotors

An updated big coaxial – the Sovereign CTX-5

REGULARS...
